7/30/71-JNS (PH)

Herewith PH's 6/18/71 Arch order and my notes on it and his notes.

If you are busy, why not just tell us so?

I'd esp. like those chaps draft AO when you can send them, and any suggestions.

I'd also like previously-asked suggestions of what to include as check on my own recollections.

Hope you rera ok.

Best, IW
